GOOD MORNING SONG [REMIX]

© 2007 School Time Music LLC. Written by Kaitlin McGaw and Dawn Richardson

I get up with the sun *(repeat)*
Because morning has come *(repeat)*
I go to the show today *(repeat)*
Where we learn and sing and play *(repeat)*

Put your hands together, y'all!
Listen up all my Rockers - the day is live!
Before we get into the mix
Let's get our bodies moving,
And sing along, for kicks!

Everybody stand up, stand up with me *(repeat)*
Everybody stand up, stand up with me *(repeat)*
Put your hands up to the sky *(repeat)*
Put your hands up to the sky *(repeat)*
You got to stretch real tall real tall real tall *(repeat)*
You got to stretch real tall real tall real tall *(repeat)*
Now bring them down to the floor to the floor to the floor *(repeat)*
Now bring them down to the floor to the floor to the floor *(repeat)*
Touch those toes! Touch your toes!
Touch those toes! Touch your toes!

Good morning everybody! *(repeat)*
Good morning everybody! Good morning!
Wave to your neighbor! *(repeat)*
Wave to your neighbor! Hey neighbor! What's up?
Give a high 5 to your friend! *(repeat)*
Give a high 5 to your friend! High 5!
It's time to rock!

Alright, Tommy. It's time for you to drop a beat, y'all!
Okay! (*beatbox*) Come on, Stef!
Okay, Kaitlin....

When I say Sunday, you say one
Sunday — one!
Sunday — one!

When I say Monday, you say two
Monday — two!
Monday — two!

When I say Tuesday, you say three
Tuesday — three!
Tuesday — three!

When I say Wednesday, you say four
Wednesday — four!
Wednesday — four!

When I say Thursday, you say five
Thursday — five!
Thursday — five!

When I say Friday, you say six
Friday — six!
Friday — six!

When I say Saturday, you say seven
Saturday — seven!
Saturday — seven!

These are the days of the week — Oh yeah!
These are the days of the week — Oh yeah!
These are the days of the week — Oh yeah!

*All right, everybody!
It's time to put your hands in the air.
And wave them like you just don't care—
like a palm tree in the breeze!*

Sunday's our first day
Monday makes it two
Tuesday brings our days to three
One, Two, Three
Sunday, Monday, Tuesday
One, Two, Three

*Let's try to make some ocean waves out there!
You can even make the sound—swoosh.*

Wednesday is our fourth day
Thursday makes it five
Friday brings our days to six
Four, Five, Six
Wednesday, Thursday, Friday
Four, Five, Six

*Now it's time to become those fish,
swimming in the ocean!
Can you make a fish face?
That's hard!—I can!*

Each week has seven days
So there's still one more
Saturday is our seventh day
Seventh day
Saturday
Seventh day

*Now let's count the days of the week
One to seven, Sunday to Saturday
With a brand new beat*

Sunday—one
Monday—two
Tuesday—three
Wednesday—four
Thursday—five
Friday—six
Saturday—seven

That was great! Let's try it twice as fast!

Sunday—one
Monday—two
Tuesday—three
Wednesday—four
Thursday—five
Friday—six
Saturday—seven

*Alphabet Rockers—you did it!
Let's put our hands in the air!
Where are my palm trees? Palm trees in the breeze!
I'm going to do some of those ocean waves—yea!
If you're a fish in the house—I want to see that
fish face!
Let the fish swim through the ocean waves...
All right everybody, it's time to scratch it out like a DJ!*

**Whether the weather is hot or is cold,
we'll be dancing!**

Let me hear you say yea—YEAH!

**Whether the weather is hot or is cold,
we'll be dancing!**

Let me hear you say yea—YEAH!

And if it's cold:

We'll wear our hats on our heads

We'll wear scarves on our necks

We'll zip our jackets up tight

And if it rains:

We'll put our umbrellas up

We'll put boots on our feet

We'll jump in puddles for fun!

**Whether the weather is hot or is cold,
we'll be dancing!**

Let me hear you say yea—YEAH!

**Whether the weather is hot or is cold,
we'll be dancing!**

Let me hear you say yea—YEAH!

And if it's sunny:

We'll put our sunglasses on

There'll be no clouds in the sky

Sunscreen will cover our face

And if it's hot:

We'll put our shorts on

We'll wear our favorite T-shirts

We'll see thermometers rise!

**Whether the weather is hot or is cold,
we'll be dancing!**

Let me hear you say yea—YEAH!

**Whether the weather is hot or is cold,
we'll be dancing!**

Let me hear you say yea—YEAH!

Break it down, let's dance

Let's dance!

It's time to talk about all the circles in the world
Where they at? Point them out!
Spheres and circles in the world
Yea... Aw yea...

And then we'll talk about all the squares
in the world
Where they at? Point them out!
Cubes and squares in the world
Yea... Aw yea...

It's time to talk about all the circles in the world
Where they at? Point them out!
Spheres and circles in the world
You've got your pie—your apple pie

You got your hoop—your hula hoop
You got your ball—your baseball
You got your moon—your full moon

Ow—ow—ow—ooooooooooooooooo!!!

Alright part 2, check it out:
Let me talk about all the squares in the world
Where they at? Point them out!
Cubes and squares in the world
Yea... Aw yea...

Where they at? Point them out!
Cubes and squares in the world
Yea... Aw yea...

You got your tile—your floor tile
You got your toast—your piece of toast
You got your hanker—your handkerchief
You got your butter—the pat of butter
You got your cube—your sugar cube
You got your case—your Alphabet Rockers CD case

You know what I'm talking about,
it's time for a little... square dance?
This right here is the square dance
Where you make any angles that
you can with your hands
Square dance. You like that?
That's my square dance.

It makes me feel like being like a robot
All of the time with my hands all around me
I feel so fine, yea.
That's my square dance.

Robot high 5.
Alright, we out.
Peace!

The New Kid In School*(I wonder where she's from!)***The New Kid In School***(Maybe she used to live in a big city)***The New Kid In School***(I was new last year, I'm going to say hi to her)***The New Kid In School***(Do you think she'd be our friend?)*

*Oh look—an empty chair, you know what that means...
"NEW KID!"*

Check it out—I'm going to a class of kids
that I've never seen
They may not like me, they might be mean.
I miss my old teacher, my old neighborhood.
All my friends, our jokes, when it was all good.
Everything is new, now, and I'm trying to deal.
But I'm crossing my fingers, that someone
here's for real.

The New Kid In School*(Wow! I don't know anyone here)***The New Kid In School***(I really hope I make new friends today)***The New Kid In School***(I don't know, I think she'll like us. What's not to like?)***The New Kid In School***(I'm going to invite her to my slumber party!)*

*Did you do that reading last night?
Yea, I did it. I did extra credit too!
Alright class, please take your seats!*

Another day with my class and all the same faces
Take my seat by the window, watch the teacher erasing
The board, then at the door, a new kid appears
Never seen her, never heard of her—who is this?
I'm shy, but curious to meet this new kid
I hope the teacher seats her near me; oh wait—she did!

The New Kid In School*(Wow, she seems really cool!)***The New Kid In School***(I wonder if they like math like I do)***The New Kid In School***(I wonder if she has a dog—or a cool cat!)***The New Kid In School***(I bet she likes to play catch)*

*It's really hard to break the ice. I know.
Someone should say something to her!*

At first it's hard to figure out just what to say
To someone you don't know at all, what sounds okay?

Umm.. Hi! How are you? What's your name?
Where're you from? Do you like to play?
'Cause we do, and you can come!

Well cool, nice to meet you. I go by "Kay"
I just moved here to town, and sure—I'd love to play!

The New Kid In School*(I'm so glad I said something)***The New Kid In School***(Sweet, I already have a new friend!)***The New Kid In School***(I can't wait to play with her!)***The New Kid In School***(This is going to be a fun year!)*

Shout to the world when you spell, write and read
If you're quick with a stick on a mighty drum
Or slow with a flow or strong with a stomp
Just pop lock alphabet rock, but don't stop
And bump to the sound of the hip-hop
Come on—eat it up 'cause it's food for the mind
You can make music just rhyme this time!
You can make music just rhyme this time!

I rhyme this time!
I rhyme this time!
With my mind
All the time!

I'm a spelling fool, the Spelling Bee King
Give me a word, I can spell anything

He's a spelling fool, the Spelling Bee King
Give him a word, he can spell anything

(I'm the) KING! K-I-N-G
(He's the) KING! K-I-N-G

Letters make words, words make phrases
Spelling words correctly makes phrasing amazing
AMAZING—A-M-A-Z-I-N-G
AMAZING—A-M-A-Z-I-N-G

It takes effort to be on top of the game
So I practice, and write, that's my claim to fame
And all the wanna-be spellers who don't try their best
They fall to the floor, they kneel to the crest
Of the Spelling Bee King, the Spelling Bee King
The Spelling Bee King!

Step aside king—there's a queen in the house!

That's right, I'm a spelling player
The Spelling Queen Bee
I'll spell any word from A to Z
She's the spelling player
The Spelling Queen Bee
She'll spell any word from A to Z

('Cause I'm the) QUEEN—Q-U-E-E-N
(She's the) QUEEN—Q-U-E-E-N

Spelling takes a bit of effort so I'm a busy girl
it helps me with my reading, which takes me
around the world

THE—T-H-E, WORLD—W-O-R-L-D
THE—T-H-E, WORLD—W-O-R-L-D

Everyday of my life, I learn new words to spell
Long ones, short ones, I spell them all well
I have my favorites, my difficulties
But I'm doing my best, in the elementary school
I'm the Spelling Queen Bee, I'm the Spelling Queen Bee
Yea, I'm the Spelling Queen Bee

*Everyone gather round for the spelling bee battle.
King, Queen—Pick your words and the battle is on.*

Alright now... GENIUS, as in "The King is the maestro of
spelling, a true GENIUS"

GENIUS, G-E-N-I-U-S. No problem, I got that.

How bout this now: SURPRISE

As in, "It was a SURPRISE to the king how quickly he
lost the spelling bee battle."

SURPRISE, S-U-R-P-R-I-S-E. SURPRISE. Yea. Good one!
Alright, Miss Thing, how about MISSPELL? As in, "I do
not ordinarily MISSPELL words."

Oh I got that one. Oh wait... Oh no I got it!

MISSPELL, M-I-S-S-P-E-L-L. MISSPELL. Ha!

Two s's in that one, you almost had me!

But don't mistake me for someone who would back
out of a battle!

You know I won't! W-O-N-T with an apostrophe!

But let me tell you something. I won't back out either.

I'll be here.

I'll be right here too!

Same time, same place, next week? W-E-E-K?

I say we call this a draw—a D-R-A-W?!

Oh you know it! King, Nice job.

You too! I guess we're at the E-N-D!
